CTS REAR ENGINE

Champion. The name speaks for itself. Dedication. Performance. Achievement. That's what we do and who we are. Our customers deserve quality and the peace of mind that only a skilled workforce with an ever-onward dedication to safety can provide. From small to mid-size transit buses, Champion's product lines always earn a spot on the podium. Now that's something to be proud of.

All aboard this high-volume road warrior! When capacity counts, this model's rear engine allows for optimal space utilization and hauling capability.
